INSURANCE

Section 6.01. **Types of Coverage.** The Association shall maintain in effect at all times any and all types of insurance coverage required by the Protective Covenants, any workmen's compensation or other insurance required by law, and such other insurance as the Board may from time to time in its sole discretion deem appropriate. Section 6.02. **Damage of Destruction to Common Area.** Immediately after the damage or destruction by fire or other casualty to all or any part of the Common Area covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agents shall proceed with the filing and adjustment of all claims arising under such insurance, and, in any such event, the Board shall obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property in order to repair or reconstruct the same to substantially the same condition in which it existed prior to the fire or other casualty. The Association shall promptly commence and complete the repair and restoration of any portions of the Common Area damaged by any such fire or other casualty. If the insurance proceeds, if any for such damage or destruction are not sufficient to defray the cost thereof, and such deficiency cannot be appropriated from a reserve fund as may have been established

for such purpose, the Board of Directors may levy a special assessment against all members subject to the approval of such special assessment by fifty-one percent (51%) of all members of the Association, to provide funds to pay such excess costs of repair or reconstruction. Such a special assessment shall be levied against the members in the same manner as annual assessments are levied, and additional special assessments may be made at any time during or following the completion of any repair or reconstruction. Any and all sums paid to the Association under and by virtue of such special assessments shall be held by and for the benefit of the Association together with insurance proceeds, if any, for such damage or destruction. Such insurance proceeds and assessments shall be disbursed by the Association in payment for such repair or reconstruction as is established by the Board of Directors. Any proceeds remaining after defraying such costs shall be retained by and for the benefit of the Association. If it is determined by the Board of Directors that the damage or destruction for which the insurance proceeds are paid shall not be repaired or reconstructed, such proceeds shall be retained by and for the benefit of the Association, and the ruins of the Common Area damaged or destroyed by fire or other casualty shall be cleared and the Common Area left in a clean, orderly, safe and sightly condition.

Section 6.03. **Condemnation of Common Area.** Whenever all or any part of the Common Area of the Development shall be taken by any authority having the power of condemnation of eminent domain, or is conveyed in lieu thereof by the Board, the award made or collected for such taking or sale in lieu thereof shall be payable to the Association and shall be disbursed or held as follows:

(a) If the taking or sale in lieu thereof involves a portion of the Common Area on which improvements have been constructed, then the Association shall restore or replace such improvements so taken, to the extent practicable, on the remaining lands included in the Common Area which are available therefor, in accordance with the plans approved by the Board of Directors and the Committee (as defined in the Protective Covenants). If the award is not sufficient to defray the cost of such repair and replacement and such deficiency cannot be appropriated from a reserve fund as may have been established for such purpose, the Board of Directors may levy a special assessment against all members, subject to the approval of such special assessment by fifty-one percent (51%) of all members of the Association, to provide funds to pay such excess costs of repair or reconstruction. Such a special assessment shall be levied against the members in the same manner as annual assessments are levied, and additional special assessments may be made at any time during or following the completion of any repair or reconstruction. If the Board of Directors determine that such improvements are not to be repaired or restored, the award or proceeds shall be retained by and for the benefit of the Association.

(b) If the taking or sale in lieu thereof does not involve any improvements to the Common Area, or if there are net funds remaining after such restoration or replacement of such improvements is completed, then such award or net funds shall be retained by and for the benefit of the Association.

ARTICLE VII

The association shall, to the fullest extent permitted by applicable law, indemnify any person (and the heirs, executors and administrators of such person), who, by reason of the fact that he is or was a Director, officer, employee or agent of the Association, or is or was serving at the request of the Association as a Director, officer, partner, employee or agent of another corporation, partnership joint venture, trust or other enterprise, was or is a party or is threatened to be made a party to:

(a) any threatened, pending or completed claim, action, suit or proceeding, whether civil, criminal, administrative or investigative, including appeals, (other than an action by or in the right of the Association), against expenses (including attorney's fees), judgements, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with any such claim, action, suit or proceeding, or

(b) any threatened, pending or completed claim, action, suit or proceeding by or in the right of the Association to procure a judgement in its favor, against expenses (including attorney's fees) actually and reasonably incurred by him in connection with the defense or settlement of such action, suit or proceeding. ARTICLE VIII

GENERAL PROVISIONS

Section 8.01. **Waiver of Notice.** Whenever any notice is required to be given under any provision of law, the Articles of Incorporation or these Bylaws, a waiver thereof in writing signed by the person or persons entitled to such notice, whether before or after the time stated therein, shall be equivalent to the giving of such notice. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the members, the Board of Directors or members of a committee of Directors need be specified in any written waiver of notice unless otherwise required by these Bylaws. Attendance of a Director at a meeting of the Board of Directors shall constitute a waiver of notice of such meeting, except where a Director attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened.

Section 8.02. **Power of Directors to Amend.** The Board of Directors shall have the right, power and authority to alter, amend or repeal the Bylaws of the Association or adopt new Bylaws for the Association at any regular or special meeting of the Board. Furthermore, at such time as Developer no longer owns any portion of the Development, the members of the Association, by the affirmative vote of fifty-one percent (51%) of the total votes in the Association may alter, amend, or repeal the Bylaws of the Association or adopt new Bylaws for the Association at any annual meeting or at a special meeting called for such purposes.

Section 8.03. **Seal.** The Board of Directors may, but shall not be obligated to, provide a corporate seal which shall be circular in form and have inscribed thereon the name of the Association, the state of incorporation and such other words as the Board of Directors may prescribe; provided, however, that the use of the seal of the Association on any contract or agreement shall not be required to evidence the validity, authenticity or approval of such contract or agreement.

IN WITNESS WHEREOF, the undersigned Incorporator has hereunto
subscribed his name to these Bylaws as of this 9th day
of July, 1997.
