Easements for installation and maintenance of utilities and drainage facilities are reserved and created as shown on the record map.

ARTICLE III

ARCHITECTURAL REVIEW COMMITTEE

3.01 The Committee will consist of no more than five (5) persons each of whom will be designated and may be removed at any time by the Developer, until such time as Developer relinquishes in writing the authority to appoint members to the Committee to the Association. At such time as Developer no longer owns any Lot within the Property or upon Developer's written notice to the Association that it no longer desires to exercise the right to appoint and remove members of the Committee, then the Board of Directors of the Association shall have the right to appoint and terminate, with or without cause, all members of the Committee.

3.02 All plans and specifications, including plot plans, grading and drainage plans for any improvements to a Lot, exterior materials, texture and color selections for any dwellings and the plans for all mailboxes and entrance columns serving any Lot within the Property shall be first filed with and approved by the Committee before any construction is commenced on such Lot. The Committee shall have the authority to require modifications and changes in plans and specifications if it deemed the same necessary.

3.03 The authority to review and approve plans and specifications as provided herein is a right and not an obligation. Owners (and their respective contractors) shall have the sole obligation to oversee and construct dwellings in accordance with the restrictions hereof and the plans and specifications approved by the Committee. No dwellings, buildings, structures or other

improvements of any nature shall be constructed, erected, placed or maintained on any Lot until such time as the Committee has approved in writing the plans therefore. The Committee shall have the right to establish and amend from time to time written rules, regulations and standards governing policies, guidelines and minimum requirements relating to the construction and alteration of any dwellings or other improvements on any Lot, as well as the content and types of information required to be submitted to the Committee for its approval, each of which shall be in addition to the provisions and requirements set forth herein.

3.04 Any exterior remodeling, reconstruction, alterations or additions to an existing dwelling or any activity which would change or alter the exterior appearance of a dwelling must be approved by the Committee. Interior remodeling, reconstruction or alterations not affecting the exterior appearance of a dwelling shall not require the written approval of the Committee, but shall comply with all restrictions and covenants set forth herein.

3.05 Neither the Committee, any architect or agent thereof nor the Developer shall be responsible to check for any defects in any plans or specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications. EACH OWNER, BY ACCEPTANCE OF A DEED TO ANY LOT, DOES HEREBY WAIVE AND RELEASE THE COMMITTEE AND DEVELOPER AND ANY OF THEIR RESPECTIVE AGENTS, OFFICERS, DIRECTORS, MEMBERS AND SUCCESSORS AND ASSIGNS, FROM ANY LIABILITY OF ANY NATURE WHATSOEVER ARISING FROM DAMAGE, LOSS OR EXPENSE SUFFERED, CLAIMED, PAID OR INCURRED BY ANY OWNER ON ACCOUNT OF ANY DEFECTS IN ANY PLANS AND SPECIFICATIONS SUBMITTED TO OR APPROVED BY THE COMMITTEE, ANY DEFECTS RESULTING IN ANY WORK DONE IN ACCORDANCE WITH SUCH PLANS OR OTHER DATA SUBMITTED PURSUANT TO THE REQUIREMENTS OF THIS ARTICLE III AND ANY INJURY TO PROPERTY OR PERSON, INCLUDING DEATH, ARISING FROM ANY DEFECT IN ANY IMPROVEMENTS CONSTRUCTED ON SUCH OWNER'S LOT.

3.06 The Committee shall, in its sole discretion, determine whether the plans and specifications and other data submitted by any Owner for approval are acceptable. Any approval granted by the Committee shall be effective only if such approval is in writing. The Committee shall have the right to disapprove any plans and specifications upon any ground which is consistent with the objectives and purposes of the Protective Covenants, including, without limitation, purely aesthetic considerations, failure to comply with any of the provisions of the Protective Covenants, failure to provide requested information, objection to exterior design, appearances or material, objection on the ground of incompatibility with the overall scheme of development for the Property, objection to location of any proposed improvements on any Lot, objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any dwellings or

other improvements on any Lot or any other matter which in the sole and absolute judgment of the Committee, would render the proposed dwelling or other improvements inharmonious with the general plan of development for the Property. The approval of plans, specifications and other data for any one specific dwelling shall not be deemed an approval or otherwise obligate the Committee to approve similar plans, specifications or data for any other dwelling to be constructed on any Lot within the Property.

3.07 THE PROPERTY MAY BE LOCATED IN AN AREA WHICH INCLUDES UNDERGROUND MINES, TUNNELS, SINKHOLES AND SUBSURFACE CONDITIONS. THE APPROVAL OF PLANS AND SPECIFICATIONS BY THE COMMITTEE SHALL NOT BE CONSTRUED IN ANY RESPECT AS A REPRESENTATION OR WARRANTY BY THE COMMITTEE OR DEVELOPER TO ANY OWNER THAT THE SURFACE OR SUBSURFACE CONDITIONS OF ANY LOT ARE SUITABLE FOR THE CONSTRUCTION OF A DWELLING OR OTHER STRUCTURES THEREON. IT SHALL BE THE SOLE RESPONSIBILITY OF EACH OWNER TO DETERMINE THE SUITABILITY AND ADEQUACY OF THE SURFACE AND THE SUBSURFACE CONDITIONS OF THE LOT. NEITHER DEVELOPER NOR THE COMMITTEE SHALL BE LIABLE OR RESPONSIBLE FOR ANY DAMAGE OR INJURY SUFFERED OR INCURRED BY OWNER OR ANY OTHER PERSON AS A RESULT OF SURFACE OR SUBSURFACE CONDITIONS AFFECTING A LOT OR ANY PORTION THEREOF, INCLUDING, WITHOUT LIMITATION, ANY SURFACE OR SUBSURFACE DRAINAGE OR UNDERGROUND MINES, TUNNELS, SINKHOLES OR OTHER CONDITIONS OR TYPES OF GROUND SUBSIDENCE OCCURRING ON OR UNDER ANY LOT.

3.08 The Committee shall have the right to establish, amend, change and modify from time to time reasonable charges and fees for the review of any plans and specifications submitted pursuant to the provisions hereof. Furthermore, the Committee shall, upon request and at reasonable charges, furnish to any Owner a written certificate setting forth whether all necessary Committee approvals have been obtained in connection of any dwelling or other improvements on any Lot.

3.09 The Committee, in its sole and absolute discretion, shall have the exclusive right to grant variances with respect to any of the matters set forth in these Protective Covenants. Any variance approved by the Committee shall be in writing and shall be executed by either the chairman or the vice-chairman of the Committee.

3.10 Each and every covenant and restriction contained herein shall be considered to be an independent and separate covenant and agreement, and, in the event any one (1) or more of said covenants or restrictions shall, for any reason, be held to be invalid or unenforceable, all remaining covenants and restrictions shall nevertheless remain in full force and effect.

ARTICLE IV

WYNDHAM RESIDENTIAL ASSOCIATION, INC.

4.01 Every Owner of a Lot within the Property and the Owner of every "Residential Lot", as hereinafter defined in the Development, is subject to assessments, as hereinafter provided, and shall be a member of the Association (the Articles of Incorporation for which are recorded in the Probate Office of Shelby County, Alabama). Membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot and shall be subject to the provisions of these Protective Covenants and the rules, regulations and bylaws of the Association, as the same may be modified and amended from time to time.

4.02 The Association shall have one (1) class of voting membership. All Owners, together with the Owners of all "Residential Lots", as hereinafter defined, shall be members of the Association and, subject to the rights reserved by Developer in the Articles of Incorporation and ByLaws of the Association, shall be entitled to one (1) vote for each Residential Lot owned. When more than one (1) person holds an interest in any Lot, all persons shall be members; however, the vote for such Lot shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any Lot. Each Owner, by acceptance of a deed to a Lot, does hereby acknowledge and agree that (a) Developer, for so long as Developer owns any portion of the Development, shall be exclusively entitled to take all actions and vote on all matters to be voted on by the members of the Association in the manner set forth in the Articles of Incorporation and ByLaws of the Association, and (b) if Developer elects to add Additional Property to this Declaration or as part of the Association or modify the description of the Development to add or delete real property from such description, each Owner consents and agrees to the dilution of his voting interests in the Association as a result thereof.

4.03 The Association (with the prior written consent of Developer for so long as Developer owns any portion of the Development), shall have the right at any time and from time to time to merge, consolidate or otherwise transfer all of the rights and obligations of the Association to any other association which has been formed for the benefit of the Owners of any of the Lots within the Property or any real properties situated adjacent to or in close proximity with the Development.

ARTICLE V

COVENANT FOR ASSESSMENTS

5.01 Each Owner of a Lot within the Property, by acceptance of a deed to such Lot, agrees to pay to the Association: (i) annual assessments or charges levied each year by the Association, (ii) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided, and (iii) individual assessments which may be levied against any Lot and the Owner thereof as a result of such Owner's failure to comply with

the terms of these Protective Covenants. The annual, special and individual assessments, together with interest, late charges, costs and reasonable attorney's fees, shall also be a charge on each Lot and shall be a continuing lien upon each Lot against which such assessment is made, which lien may be enforced in the manner hereinafter provided. Each such assessment, together with interest, late charges, costs and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due or was due.

5.02 The annual and special assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the Owners and residents of the Development, for the improvement and maintenance of the Common Area within the Development and the payment of any and all costs and expenses incurred from time to time by the Association, including, without limitation, any "Common Expenses", as defined in the Bylaws of the Association.

5.03 Any expenses incurred by the Committee or the Association in enforcing any of the provisions of these Protective Covenants against a specific Owner shall be deemed an individual assessment against the owner and the respective Lot owned by such Owner. Such individual assessment shall be levied by the Association and shall be specified to the Owner, which notice shall also specify the due date for the payment of same. The Association is solely responsible for and shall assume all maintenance responsibilities with respect to all Common Area within the Property.

5.04 The annual assessment for the Property shall commence on June 1 of each year, and shall be paid in advance. The annual assessment shall be established by the Association in accordance with its rules, regulations and Bylaws. Lots owned by the Developer shall not be subject to any assessment by the Association, be it annual, special or individual.

5.05 In addition to the annual assessments, the Association may levy, in any assessment year, a special assessment, applicable to that year only for the purpose of defraying in whole or in part the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, provided that any such assessment must have the assent and approval of (a) at least fifty-one percent (51%) of the total votes in the Association, whether voted in person or by proxy, at a meeting duly called for this purpose and (b) for so long as Developer owns any portion of the Development, the approval of the Developer.

5.06 Written notice of any meeting called for the purpose of taking any action authorized under Section 5.05 above shall be sent to all Owners not less than thirty (30) days but no more than sixty (60) days in advance of the meeting. At the first such meeting

called, the presence, either in person or by proxy, of the holders of at least fifty-one percent (51%) or more of all votes in the Association shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

5.07 Both annual and special assessments for all Lots within the Property shall be fixed at a uniform rate; provided, however, that the Board of Directors of the Association shall have the right, in their sole and absolute discretion, to levy, assess and collect different amounts as the annual and/or special assessment payable by each "Residential Lot", as hereinafter defined, within the Development based on the zoning classifications of such Residential Lot. As used herein, the term "Residential Lot" or "Residential Lots" shall mean and refer to any real property within the Development which has been or will be developed for single-family residential purposes, including, without limitation, attached or detached residential dwellings, townhouses, condominiums, cooperatives, duplexes, garden homes, patio homes, zero-lot-line homes, cluster homes, or any other types of single-family dwellings. As used herein and in the Articles of Incorporation and Bylaws of the Association, the term "Residential Lots", whether used in the singular or plural tense, shall include all Lots within the Property. Annual and special assessments shall commence as to each Lot on the day on which such Lot is conveyed to any Owner (other than Developer) and shall be due and payable in such manner as established by the Board of Directors of the Association. The Board of Directors of the Association shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner. The due date for the payment of annual assessments shall be established by the Board of Directors in such notice (but such due date shall be, at a minimum, thirty (30) days from the date of such notice).

5.08 The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a Lot has been paid. A properly executed certification of the Association as the status of the assessment on a Lot is binding upon the Association as of the date of its issuance.

5.09 Any assessments (whether annual, special or individual) which are not paid on or before the due date of the same shall bear interest from and after such due date at a rate equal to the lesser of 18% per annum or the highest rate which may be charged to such Owner by law. In addition to interest, any assessments not paid by the due date for the same shall be subject to a late charge which the Board of Directors of the Association may from time to time

establish. In the event any assessments or other amounts due to the Association are not paid by any Owner when the same comes due, then, in addition to all other rights and remedies provided by law or in equity, the Association, acting through the Board of Directors or through any of its duly authorized officers or representatives, may undertake any of the following remedies:

(a) The Association may commence and maintain a suit at law against the Owner for a personal money judgment to enforce all such charges and obligations for assessments and other amounts due to the Association, which amounts shall include the late charge and interest specified above as well as all attorneys' fees, court costs and all other expenses paid or incurred by the Association in connection therewith; and/or

(b) The Association may enforce the lien created pursuant to Section 5.01 above as hereinafter provided. The lien created pursuant to Section 5.01 above shall secure payment of any and all assessments (annual, special and individual) levied against any Lot or Owner, all late charges and interest as provided above as well as all attorneys' fees, court costs and all other expenses paid or incurred by the Association in attempting to collect the assessments and in maintaining any legal action in connection therewith. If any assessments and other charges remain unpaid for more than sixty (60) days following the due date of the same, then the Association shall make written demand on defaulting Owner, which demand shall state the date and amount of delinquency. If such delinquency is not paid in full within ten (10) days after the giving of such demand notice, then the Association may file a claim of a lien against the Lot of such delinquent Owner, which claim shall be executed by any member of the Board of Director of the Association or any officer of the Association and may be foreclosed in the same manner as a foreclosure of a mortgage on real property under the laws of the State of Alabama, as the same may be modified or amended from time to time. The Association shall have the right and power to bid at any such foreclosure sale and to purchase, acquire, hold, lease, mortgage, convey and sell any such Lot purchased at any such foreclosure proceeding. Each Owner, by acceptance of a deed to any Lot, shall be deemed to (i) grant and vest in the Association and/or its agents the right and power to exercise the power of sale granted herein and foreclose the lien created herein, (ii) grant and vest in the Association and/or its agents the right and power to bring all actions against such Owner personally for the collection of all amounts due from such Owner, (iii) expressly waive any objection to the enforcement in

foreclosure of the lien created herein and (iv) expressly waive the defense of the statute of limitations which may be applicable to the commencement of any suit or action for foreclosure. No Owner (other than Developer) may waive or otherwise be exempt from the liability to pay the assessments provided herein.

5.10 The lien for assessments and other charges provided herein with respect to any Lot shall be subordinate to the lien of any first mortgage encumbering such Lot. The sale or transfer of any Lot shall not affect any lien retained by the Association on a Lot; provided, however, that the sale or transfer of any Lot pursuant to mortgage foreclosure or any similar proceedings shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer.

5.11 In addition to the rights and remedies set forth above, if any Owner (or his contractor, family members, guests or invitees) shall violate or attempt to violate any of the covenants and restrictions set forth herein, then Developer, the Association or the Committee, jointly and severally, shall each have the right to prosecute proceedings at law for the recovery of damages against such Owner as a result of such violations or maintain a proceeding in equity against such Owner to enjoin such violation; provided, however, that the rights and remedies set forth herein shall be deemed to be cumulative of all other rights and remedies available at law or in equity. In any such proceedings, Developer, the Association or the Committee, jointly and severally, shall be entitled to recover all costs and expenses, including reasonable attorneys' fees, incurred by any of them in such proceedings, as well as interest on all unpaid amounts as specified in Section 5.09 above. The failure of Developer, the Association or the Committee to institute proceedings for any one (1) or more violations of these Protective Covenants shall not constitute approval of the same or be construed as a waiver of any right of action contained herein for past or future violations of said covenants and restrictions.
